University and Professional service:

I have been advising undergraduate student at BBC since fall 2007.

I coordinate all Mathematics Departmental Tests at BBC in spring and fall semesters.

I send sample problems to MAC 1114 course coordinator for the preparation of the Departmental Common Final Exam.

I was a member of a committee to prepare the Departmental Common Final Exam for MGF 1107.

Beginning fall 13, I will observe adjuncts at BBC.

In cooperation with the Office of Engagement, and along with FIU Site Coordinator and the Graduation Coach at Miami Northwestern High School, I participated in Saturday School to prepare students for the Mathematics portion of SAT and ACT.

I have joined "**Project Panther Life**" as a faculty advisor and mentor a student with Intellectual Disabilities (ID) at BBC. This project will prepare students with ID to participate in postsecondary education and achieve employment following program completion. I mentor one student in fall and spring semesters.

I was MGF 1106 Course coordinator until summer 2016. I still coordinate MGF 1106 Courses at BBC when needed.

I coordinated adjuncts at BBC from 2014 to spring 2016, and I am the adjunct coordinator at BBC and MMC since summer 2016.

Other Teaching Related Activities:

I participated at Annual Meetings, coordinated by the Online Department, in 2013-2016.

In summer 2013, I participated at two workshops, "The Education Effect" and " After-School All Star" that were coordinated by the Office of Engagement.

Community Service:

Since spring 2008 Semester, I have encouraged my students to donate blood at Blood Donation Stands at BBC, or at any Blood Donation Center. I have acted as a role model myself by donating over two Gallon of blood ever since.
