

Florida International University is classified by Carnegie as a “R1: Doctoral Universities - Highest Research Activity” and recognized as a Carnegie Community Engaged university. It is a public research university with colleges and schools that offers bachelor’s, master’s and doctoral programs in fields such as business, engineering, computer science, international relations, architecture, law and medicine. As one of South Florida’s anchor institutions, FIU contributes almost \$9 billion each year to the local economy and is ranked second in Florida in Forbes Magazine’s “America’s Best Employers” list. FIU graduates are consistently among the highest paid college graduates in Florida and are among the leaders of public and private organizations throughout South Florida. FIU is Worlds Ahead in finding solutions to the most challenging problems of our time. FIU emphasizes research as a major component of its mission with multiple state-of-the-art research facilities including the Wall of Wind Research and Testing Facility, FIU’s Medina Aquarius Program and the Advanced Materials Engineering Research Institute. FIU has awarded more than 220,000 degrees and enrolls more than 54,000 students in two campuses and centers including FIU Downtown on Brickell, FIU@I-75, the Miami Beach Urban Studios, and Tianjin, China. FIU also supports artistic and cultural engagement through its three museums: Patricia & Phillip Frost Art Museum, the Wolfsonian-FIU, and the Jewish Museum of Florida-FIU. FIU is a member of Conference USA and more than 400 student-athletes participating in 18 sports. For more information about FIU, visit <http://www.fiu.edu/>.

INSTRUCTOR

- **STARTING DATE:** Fall 2017
- **DEPARTMENT:** MATHEMATICS AND STATISTICS; DIVISION OF STATISTICS,
- **UNIVERSITY:** FLORIDA INTERNATIONAL UNIVERSITY

Job Information

The Division of Statistics in the Department of Mathematics and Statistics at Florida International University invites applications to fill a full-time, permanent instructor position starting in August, 2017.

Candidates must have a Master’s degree or higher in Statistics to apply for the position. Applicants are expected to demonstrate a commitment to and evidence of excellence in teaching, written and oral communication skills. This is full time teaching position. Duties will include teaching statistics courses (mostly at the undergraduate level) and service activities within the department and the university. Teaching assignments may include hybrid (i.e., blended) and online undergraduate instruction.

Qualified candidates are encouraged to apply to Job Opening ID **513110** at facultycareers.fiu.edu and attach a curriculum-vitae and teaching philosophy statement in a single pdf file. Candidates will be requested to provide names and contact information for at least three references who will be contacted upon submission of application. Inquiries may be addressed to Chair, Instructor

Search Committee or to Professor Zahedi, Director, Division of Statistics. To receive full consideration, applications and required materials should be received by April 12, 2017. Review will continue until position is filled.

FIU is a member of the State University System of Florida and an Equal Opportunity, Equal Access Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
